Dear Dave and Barb Wetzel:

I wanted to thank you both for making such excellent products including High Vitamin Butter Oil and Fermented Cod Liver Oil made the original way. Industrialization of foods has made it harder and harder to find real foods that haven't had all the nutrients stripped out by processing including heating. We feel blessed to have access to the wonderful nutrient dense products you provide.

My entire family uses your products nearly every day. Even our kids look forward to their High Vitamin Butter and Cod Liver Oils. We are certain your products help us to maintain optimal health.

Yours Truly,
